Curriculum Vitae

Sondous A. Abdelgalil

Statement

I am statistician/econometrician with master's and bachelor's degrees with distinction in applied statistics/econometrics. My strengths lie in dealing with the data through the stages of data gathering, coding, entering, cleansing, processing, analyzing and writing reports base on statistical theory and empirical evidence.

I am looking for a position that suits my academic qualifications, gives me job satisfaction, helps me to develop further my technical knowledge and skills, and provides me with the opportunities for future career growth and development.
