COUNTERINTELLIGENCE

DEFENSE INTELLIGENCE AGENCY

COMMITTED TO EXCELLENCE IN DEFENSE OF THE NATION

Do What Matters

DIA's Unique Role

DIA is committed to excellence in defense of the Nation. Leaders at all levels of the military and U.S. Government rely on DIA for cutting-edge analysis, targeted collection and advanced technological expertise to support global military operations. We provide defense intelligence on foreign militaries and operating environments that delivers decision advantage to prevent and decisively win wars. Excellence begins with the support that each member of DIA and the greater Defense Intelligence Enterprise receives every day to complete the mission. With a global workforce of over 16,500 employees, DIA requires a robust, agile and skilled mission support team to provide administrative, physical and technical support while operating in complex threat environments.

Are you ready for a career in Counterintelligence?

From technical operations to insider threat investigations, officers in the Counterintelligence Career Field dedicate their lives to safeguarding the Nation from foreign adversarial threats. As an officer in this career field, you will detect, exploit and neutralize the damaging efforts foreign entities wield against our Nation. In an ever-changing, dynamic global threat environment, we need Counterintelligence officers who develop and execute strategies that defeat our adversaries' attempts to harm us. We need your logic, expertise and ingenuity to protect the Nation from subversive activities like sabotage and espionage. Think this could be you?

Explore how your unique contributions can make a national impact as a Counterintelligence officer in one of our two specialty areas.

ABOVE: Officers provide annual training on counterintelligence awareness and reporting to DIA's global workforce.

Counterintelligence Specialties

Counterintelligence Agent

Officers in this specialty are highly trained in core counterintelligence functions — investigations, collections, operations and functional services. You will use offensive and defensive tradecraft tactics to protect the Nation. Serve on our team as an officer specializing in one of these functional areas:

- Community Coordination.
- Counterespionage.
- Investigative Activities.
- Operational Risk Management.
- Strategy and Analysis.
- Technical/Cyber Capabilities.

Cover Support

Be a part of the team that provides support to the Department of Defense's most sensitive personnel, assets and operations. Officers in this specialty are coveted for their special operations, collection, analysis and cyber expertise. You will exercise your ability to work through ambiguous situations and employ your natural motivation to approach requirements with creativity and innovation. Serve on our team as an officer specializing in one of these functional areas:

- Acquisitions.
- Biometric Threat Analysis.
- Commercial Support.
- Identity Protection.
- Program Management.
