Other bank References specific for your country			

For verification purposes please attach a copy of your bank statement with the form. Any differences between the details within the form and the bank statement will result in the delay in payment. We are not able to execute payment without a copy of the bank statement.

The name of the bank account holder must correspond to the name of the person or the legal entity to be paid. Where the bank account holder is different to the official beneficiary, an official document (on letter headed paper or equivalent) justifying the difference in the beneficiary is required.

An official invoice/debit note in the name of INTERPOL is always required for any payment made to a legal entity (including the reimbursement of travel costs)
