## 1. Coverage

### a. This chapter covers:

- i. Promotions; reassignments; changes to lower grade, level or band; and position change actions (meaning personnel actions that move an employee from one competitive service position to another competitive service position, from one excepted service position to another excepted service position, and from one senior executive service position to another senior executive service position, in the same agency and with no break in service).
- ii. Extension of temporary promotions and temporary position change actions.
- iii. Details.

### b. This chapter does not cover:

- i. Movement of an employee, with \*\*\*>their< position, to a different organization when no change occurs in \*\*\*>the< position title, occupational series, grade, duties, and responsibilities. When such a move is to a different agency as a result of a transfer of function, the action is a Mass Transfer; when such a move is within the agency as a result of a reorganization, the action is a Realignment. (See Chapter 21 for instructions on documenting Mass Transfer and Realignments.)
- ii. Movement between the competitive, excepted, and senior executive services. Document such a move as a conversion to an appointment. (See instructions in Chapters 9-13.)
- iii. Promotion; reassignment; and change to lower grade, level, or band for temporary employees. If the employee is serving on a temporary appointment, document a change to another position or grade with a conversion to another appointment. (See Chapters 10 and 11.)
- iv. Promotion and change to lower grade, level, or band of an employee who is serving on a temporary appointment pending establishment of a register in other than a Worker Trainee position. Such an employee may move to a position at a higher

or lower grade only by conversion to another appointment. (See Chapters 9-13.)

- v. Actions based on selection from a Civil Service Certificate or under a Direct Hire Authority. Document these actions as conversions to another appointment. (See Chapters 9 and 10.)

## 2. Definitions

**a. Position Change.** This is a move by an employee to another position during the employee's continuous service under the same appointment within the same agency. When the move establishes the employee's eligibility for grade retention under [5 U.S.C. 5362](#), the nature of action is Position Change. It is also called a Position Change when the employee is already entitled to grade retention and moves to another position at or below the retained grade. A move when the employee is not entitled to, and does not become entitled to, grade retention is a promotion; reassignment; or change to lower grade, level, or band. A move to another agency or to a new appointment in the same agency when the employee is entitled to grade retention is an appointment or conversion to appointment.

### **b. Promotion.**

- i. For positions under the same job classification system and pay schedule, a promotion changes the employee to a higher grade level or makes permanent a temporary promotion.
- ii. When the old and the new positions are under different job classification systems and pay schedules, a promotion changes the employee to a position with a higher rate of basic pay or makes permanent a temporary promotion.

**c. Promotion Not to Exceed** is a promotion made on a temporary basis. Promotion NTE is also used when an employee who is entitled to a grade retention under [5 U.S.C. 5362](#) is temporarily assigned to a position at a grade above the retained grade.

### **d. Change to Lower Grade.**

- i. For positions under the General Schedule or under the same wage grade schedule, a change to lower grade changes the employee to a lower grade.

- ii. When both the old and the new positions are under the same type of ungraded wage schedule or in different pay method categories, a change to lower grade changes the employee to a position with a lower rate of basic pay.
- e. **Reassignment** is the change of an employee from one position to another without promotion or change to lower grade, level, or band. Reassignment includes: (1) movement to a position in a new occupational series, or to another position in the same series; (2) assignment to a position that has been redescribed due to the introduction of a new or revised classification or job grading standard; (3) assignment to a position that has been redescribed as a result of position review; and (4) movement to a different position at the same grade but with a change in salary that is the result of different local prevailing wage rates or a different locality payment.
- f. **Detail.** A detail is a temporary assignment to a different position for a specified period when the employee is expected to return to \*\*\*>their< regular duties at the end of the assignment. (An employee who is on detail is considered for pay and strength-count purposes to be permanently occupying \*\*\*>their< regular position.) Unless the agency chooses to use an [SF-50](#), a detail is documented with an [SF-52](#), >unless the detail falls under rule 1 of [Table 14-A](#).<
- g. **Position Change Not to Exceed (NTE)** is the temporary assignment of an employee who is entitled to grade retention to another position at a grade no higher than that of the retained grade. For example, when a GS-07 employee whose retained grade is GS-09 is temporarily assigned to a position at GS-06 or GS-09, the nature of action is Position Change NTE.
- h. **Agency**, as used in this Guide, is any department or independent establishment of the Federal Government, including a government-owned or -controlled corporation, which has the authority to hire employees in the competitive, excepted, and senior executive services. Examples: Department of Transportation, Small Business Administration, Federal Trade Commission. Note: the Departments of Army, Navy, and Air Force are considered to be individual agencies for the purposes of this Guide; all other organizations within the Department of Defense that have agency codes that begin with "DD" (for example, DD04) are considered as one agency.

### 3. Selection of Legal Authority

**a. Meaning of “equivalent to CS Regs.”** For some actions covered by this chapter, the legal authority you place on the action will depend upon whether the action is being taken under civil service laws or regulations, under agency procedures that are similar or equivalent to those required under civil service laws or regulations, or under other procedures. The rule you follow to select the legal authority will depend upon your knowing what procedures are being used. For example, you may have to know if the action is being taken under [5 U.S.C. 75](#) (chapter 75 of title of 5 of the U.S. Code, “Adverse Actions”), under agency procedures that are equivalent to [5 U.S.C. chapter 75](#) (“5 U.S.C. 75 Eq”), or under other procedures. There are some agencies that are not covered by the civil service laws and regulations, and there are some employees who are not covered because of the appointments on which they serve. If your agency is not covered by civil service procedures, or the employee who is the subject of the action is not covered, your agency may have its own procedures to follow, including ones that are similar to or equivalent to civil service procedures or \*\*\* other procedures that are different from those required by the civil service laws or regulations. If you are not sure if the employee who is the subject of the action is covered by the civil service procedures applicable to that particular action, \*\*\* ask the personnel specialist who approved the action. *You cannot determine the correct authority without knowing the procedures being used to effectuate the action.*

**b. Actions for Which the Agency Must Select the Authority.** For some actions covered by this chapter, you will be given a legal authority code and be told to cite the appropriate authority. To document one of these actions, you will have to learn from the personnel specialist who approved the action how that action was handled.

- i.** If a specific law, Executive Order, or regulation was the basis for the action, cite that law, Executive Order, or regulation in the authority block on the [SF-50](#) along with the legal authority code shown in the table.
- ii.** If the agency has internal regulations, an agency manual, or an employee code of conduct or ethics that provides penalties for

violations or misdeeds, cite the agency regulation or the agency manual or code of conduct reference in the authority block on the [SF-50](#) along with the legal authority code shown in the table.

- iii. For actions **>in which<** a specific legal authority is not cited in the table and not covered by paragraphs (**\*\*\* >i<**) and (**\*\*\* >ii<**) above, show "[5 U.S.C. 302](#)" in the authority block on the [SF-50](#) along with the legal authority code shown in the table. [5 U.S.C. 302](#) is the general authority for an agency head to delegate authority to take actions necessary to carry out personnel actions. Cite it only when no other authority is appropriate for the action being processed; its use should be very rare.

#### 4. Use of SF-52

For change to lower grade, level, or band actions that end temporary promotions on their not to exceed dates, use of the [SF-52](#) is optional; the [SF-50](#) may be prepared directly from the data in the agency's personnel data system. For details, a [SF-52](#) is used to document the request and approvals when required by [Table 14-A](#). For all other actions described in this chapter, an [SF-52](#) is required to document the requested action and its approvals, and to prepare the [SF-50](#).

#### 5. Special Conditions

When effectuating promotions; reassignments; changes to lower grade, level or band; or position change actions, certain special conditions may impact the documentation of the personnel actions and require additional instructions.

- a. **Employee is eligible for a within-grade increase on the same date.** When the employee is eligible for a within-grade increase (WGI) on the same date as another action (for example, a promotion), both actions may be documented on the same [SF-50](#). Note that each one is reported separately via [Enterprise Human Resources Integration \(EHRI\)](#). In these cases, document the within-grade increase action first; in blocks 5A-5F and then document the promotion action in blocks 6A-6F of the [SF-50](#).
- b. **Employee's work schedule or the number of hours worked will also change.** If the employee's work schedule or the number of hours **\*\*\*>they<** work on a part-time basis will change as a result of the

action being processed, >you may document the Change in Work Schedule or Change in Work Hours action on the same [SF-52/SF-50](#) on the same form used to document the other action processed under the rules of this chapter.< \*\*\* Follow the instructions in Chapter 24 to select the nature of action, authority, and remarks for the change in work schedule or hours.

- i. When the action and the change in work schedule or hours are being documented on a single [SF-52/SF-50](#), enter the nature of action and authority for the >action processed under this chapter in blocks 5A-5F< and \*\*\* enter the nature of action and authority for the change in work schedule or hours in blocks 6A-6F. >If the action includes a change in the number of hours a part-time employee works per biweekly pay period, < \*\*\* enter the new hours per pay period in block 33.
  - ii. When a return to duty and an action under this chapter are effective on the same date as a change in work schedule or hours, and the return to duty and action under this chapter are being recorded on the same [SF-52/SF-50](#), document the >return to duty in blocks 5A-5F, the conversion in blocks 6A-6F, < the new work schedule in block 32 and the new hours in block 33. \*\*\* >You do not need an additional [SF-52/SF-50](#) to document the change in work schedule or hours.<
- c. Employee is absent in military service or because of compensable injury.** Employees with restoration rights who are absent for military duty may be promoted or reassigned, but may not be changed to lower grade, level or band, or be subject to position change actions. Employees who are absent because of compensable injury are subject to the same terms and conditions of employment as though they had not been injured.
- File the [SF-52](#) on >the permanent (right)< side of the Official Personnel Folder. Prepare and distribute the [SF-50](#) after employee returns, moving the [SF-52](#) from >the permanent (right)< side to the >temporary (left)< side of Official Personnel Folder at that time. If the employee does not exercise restoration rights, remove the [SF-52](#) from the employee's folder and destroy it.
- d. An employee on a temporary promotion receives a permanent promotion.** Unless agency instructions require that an employee who

is on a temporary promotion be returned to the former position prior to making a permanent promotion, there is no requirement to do so.
