Subject: Fwd: SOS. WMD. NEUROWEAPONS ON LEGISLATIVE FLOOR, GOVERNOR'S OFFICE. Fwd: LANG DOWN  
To: <thaywood@brproud.com>

Forensic data and material evidence of Louisiana State Police and National Guard employing psychological torture to harass me about an active WMD threat.

I was expecting a call from LSP, to whom John Bel Edwards office had kicked over my complaint of neuroweapons in his office.

So a guy calls says hes LSP and on behalf of the governor he would have everything taken care of by wed. April 5th.

I call fusion center to verify they tell me this guy is legit.

then Wednesday comes and I get nothing more than a harassing package, an obsolete blue box and a letter from "the governor's assistant," which says, "Enjoy Neuroweapons."

I gave everything to Sgt Huval at LSP and two other troopers.

now Huval calls me some weeks later stating he doesnt believe a crime ocured hasn't filed a report about it and also recommend that I seek mental health resources for some stupid reason. he also encouraged me to investigate everything by myself.

I told huval that is some mission failed ass shit I gave him the evidence attached and below of war crimes on my person.

SOS. WMD. USA DOWN. INCLUDING THE MEDIA UNTIL THIS STORY GETS COVERED BY WHOMEVER WANTS THE PULITZER, THE PEABODY, AND THE NOBEL PRIZE.

Sgt. Huval:

A plaid shirt wearing "usps guy" handed me this quite uncertified package. sent from a guy who claims to be a state trooper working for the governor calling from +1 225-250-6505. he called me claiming to be a state trooper liaison to the governor.

so we have someone impersonating LSP, pretending to act on behalf of governor. or at best, its an insider threat assaulting me with a human intelligence information weapons campaign that says "Enjoy neuroweapons."

please file an official report.

the numbers which called to harass me in the previous months about my neuroweapons torture are:

Jan phone call from 318 557 3190

I followed up, guy says he himself is a target and that perpetrators used his phone to harass me from Barksdale as I was calling LANG installations. Unsure how they got my number at barksdale, perhaps on a classified or clandestine wireless network of cell phones and/or synthetic telepathy. incoming call was coordinated in real time with my outreach to LANG.

I later called LANG Gillis Long who called me a "targeted individual" and when I commanded that they protect what matters they say fuck no and hang up. then they call me back from 225 319 4601 to harass me some more about my neuroweapons torture.

on April 14 2022 I texted a guy who called himself "sam Johnson FBI." 504 273 5652

He had called my girlfriend caroline out of the blue just after leaving FBI new orleans to get a case number about the travesty (caroline harris 985 518 9364) so this guy claims hes gonna solve all our problems meetup at the coffee house. I am not present but over phone he tells me hes fbi. proceeds to sexually assault Caroline.

generally speaking though, SOS.
