Your record number is: **280919-MHG**

What to expect

① We review your report

Our specialists in the Civil Rights Division carefully read every report to identify civil rights violations, spot trends, and determine if we have authority to help with your report.

② Our specialists determine the next step

We may decide to:

Open an investigation or take some other action within the legal authority of the Justice Department.

Collect more information before we can look into your report.

Recommend another government agency that can properly look into your report. If so, we'll let you know.

In some cases, we may determine that we don't have legal authority to handle your report and will recommend that you seek help from a private lawyer or local legal aid organization.

③ When possible, we will follow up with you

We do our best to let you know about the outcome of our review. However, we may not always be able to provide you with updates because:

We're actively working on an investigation or case related to your report.

We're receiving and actively reviewing many requests at the same time.

If we are able to respond, we will contact you using the contact information you provided in this report. Depending on the type of report, response times can vary. If you need to reach us about your report, please refer to your report number when contacting us. This is how we keep track of your submission.

What you can do next

① Contact local legal aid organizations or a lawyer if you haven't already

Personal description

In your own words, describe what happened

I'm targeted with gangstalking and neuroweapons by feds and local for my Christian Ministry.

A Plaid shirt wearing "usps guy" handed me a quite uncertified package. sent from a guy who called me claiming to be a state trooper working for the governor calling from +1 225-250-6505.

so we have someone operating unofficially for LSP, pretending to act on behalf of governor. assaulting me with a human intelligence information weapons campaign that says "Enjoy neuroweapons." he told me on April 5th hed deliver a solution to neuroweapons targeting, he delivered a harassing package and letter instead.

Sgt. huval at louisiana state police has evidence.

Jan gangstalking phone call from 318 557 3190

I followed up, guy says he himself is a target and that perpetrators used his phone to harass me from Barksdale as I was calling LANG installations. Unsure how they got my number at barksdale, perhaps on a classified or clandestine wireless network of cell phones and/or synthetic telepathy. incoming call was coordinated in real time with my outreach to LANG.

I later called LANG Gillis Long who called me a "targeted individual" and when I commanded that they protect what matters they say fuck no and hang up. then they call me back from 225 319 4601 to harass me about my neuroweapons torture.

on April 14 I texted a guy who called himself "sam Johnson FBI." 504 273 5652

He had called my girlfriend out of the blue [REDACTED] just after leaving FBI new orleans to get a case number about the travesty. so this guy claims hes gonna solve all our problems meetup at the coffee house. I am not present but over phone he tells me hes fbi. proceeds to sexually assault [REDACTED]

Generally speaking, SOS.
